Re: NCHA 2012-2013 Membership Renewal

Dear Member:

I was recently informed that you did not renew your 2012 NCHA membership. Unfortunately, there has been a general decline of membership in Wyoming as well as several other areas. The result in the decline in membership could result in Wyoming losing one (1) of its two (2) National Director positions in 2013. If Wyoming does not achieve a significant number of 2012 memberships by December 31, 2012 there will be no election for a Director in Wyoming in 2013.

The Executive Committee, in an attempt to bolster the membership, is offering the remainder of 2012 membership, including the December edition of Chatter, with the purchase of 2013 Membership which will include your membership and **DUES** for December of 2012. In other words, one year of dues (2013) will include membership for December 2012.

As one of the National Directors for Wyoming I have had the honor of serving as Vice-Chairperson of the Long Range Planning Committee. During that period of time I rewrote portions of the NCHA Constitution to implement progressive changes in the organization. I was recently elected to serve as the Chairperson for the Long Range Planning Committee for 2012-2013. I look forward to continued service to you and the NCHA. Without your renewal of membership this may not be possible.

Sincerely yours,

Richard J. Mulligan
